The TITLE is clear and it is adequate to the content of the article.

The title of the paper "The Evolution of European Fairy Tales: A Comparative Analysis of the Grimm Brothers and Hans Christian Andersen" is pertinent to the content. The author develops the concepts hinted in the title and the reader's expectations are fulfilled.

The ABSTRACT clearly presents objects, methods, and results.

The abstract is complete, fluent and well written. Objects, methods and results are illustrated with clarity in the abstract. Theoretical approaches are well introduced in the abstract and developed throughout the article.

There are a few grammatical errors and spelling mistakes in this article.

Grammatical errors sometimes occur, but they do not impede the clarity of the article. The article is fluent and uses appropriate vocabulary. Grammatical structures are generally correct.

The study METHODS are explained clearly.

The study methods and the theoretical approaches are well introduced in the article and then employed to analyse the fairy tales chosen by the author. The correct and convincing theoretical approach allows the author to draw an engaging comparison between the Grimm Brothers and Hans Christian Andersen

The body of the paper is clear and does not contain errors.

The article is generally well written and fluent. Errors are occasional and do not impede the clarity of the content. The author uses appropriate vocabulary and correct grammatical structures.

The CONCLUSION or summary is accurate and supported by the content.

The conclusion is convincing and presents new horizons in the tradition of fairy tales. The author underlines the Grimm Brothers' and Hans Christian Andersen' important contribution to the writing of fairy tales and suggests new perspectives of analysis.

The list of REFERENCES is comprehensive and appropriate.

The list of references is good and contains interesting sources. However, the list could be extended and completed with more sources.
