<i>Questions</i>	<i>Rating Result</i> [Poor] 1-5 [Excellent]
<b>1. The title is clear and it is adequate to the content of the article.</b>	<b>5</b>
<i>(a brief explanationis recommendable)</i> <b>The title is very explicit. It relevantly encapsulates the main issue raised in the paper</b>	
<b>2. The abstract clearly presents objects, methods and results.</b>	<b>5</b>
<i>(An explanation is recommendable)</i> <b>The author's aim and methods to reach this aim are clearly stated in the abstract.</b>	
<b>3. There are grammatical errors and spelling mistakes in this article.</b>	<b>3</b>
<i>(a brief explanationis recommendable)</i> <b>Although mainly written in an academic and clear language, this article suffers from a few mistakes. The author should consider punctuation. More often than not he uses a hyphen where a dash is needed. He should also mind the space between two words or between a word and the punctuation. His use of slashes are sometimes faulty</b>	

<b>4. The study methods are explained clearly.</b>	<b>4</b>
<p><i>(An explanationis recommendable)</i>  <b>The author uses postmodernism to scrutinize modernism and concludes that both ideologies have the same goal, expressed in different and apparently contradictory ways. In so doing he shows good mastery of the ideology, philosophy, doctrine that span western the history of European thought.</b></p>	
<b>5. The body of the paper is clear and does not contain errors.</b>	<b>4</b>
<p><i>(An explanationis recommendable)</i>  <i>The body of the work shows the author's mastery of the concepts and ideologies used. It gives proof of his familiarity and apt use of the studied thinkers' and philosophers' theories.</i></p>	
<b>6. The conclusions or summary are accurate and supported by the content.</b>	<b>5</b>
<p><i>(An explanationis recommendable)</i>  <i>The conclusion is accurate. It summarizes the issues raised, the methodology used and the results obtained.</i></p>	
<b>7. The references are comprehensive and according to the APA citation style.</b>	<b>3</b>
<p><i>(abrief explanationis recommendable)</i>  <i>The references are well sorted out, but the author has to automate the presentation of the bibliography by standardizing the space between the lines</i></p>

**Comments and Suggestions to the Author(s):**

The text gives insight into the western thoughts. Mainly focusing Modernism and postmodernism, it revisits the history of colonialism to neocolonialism with the underpinning ideologies that legitimate or counter western hegemony.

It necessitates proof-reading to prune the mistakes to make it more readable.

**Comments and Suggestions to the Editors Only:**

**This article is a paramount contribution to literary, philosophical and civilization studies. To be published after minor revision.**
