

Retraction Note

Upon a plagiarism complaint from the authors of the paper Oltra-Badenes, R., Gil-Gomez, H. y Guerola-Navarro, V. (2018). Metodología para la selección de sistemas ERP para pymes. *3C Empresa. Investigación y pensamiento crítico*, 7(4), pp. 10-33. doi:<http://dx.doi.org/10.17993/3cemp.2018.070436.10-33/> published on 23.11.2018 the ESJ Ethics Committee decided to retract the paper “Ramadhan, S., Koutaini, H., Aridah, M. W., & Ahmed, F. (2019). Assessing Enterprise Resource Planning (ERP) Systems Customization in SMEs. *European Scientific Journal, ESJ*, 15(19), 172. <https://doi.org/10.19044/esj.2019.v15n19p172> published on 31.07.2019.

The authors of the paper have been contacted for a statement on 27.06.2020 concerning the reported misconduct. Their response was received on 28.06.2020

Taking all circumstances into account, it is concluded that at the time of the initial screening at the ESJ, the paper has not been published and no possible plagiarism was detected. However, after the complaint it was concluded that there is a high percentage of similarities with the paper “Metodología para la selección de sistemas ERP para pymes. 3C Empresa. Investigación y pensamiento crítico” published in Spanish language. Some parts of the paper are literally translated into the English language. However, credit to the authors of this paper has not been given. Due to the violation of the citation practices the paper will be retracted from the website. The authors should accept full responsibility for this misconduct.

The paper is retracted on 29.06.2020
