**Reviewer 2:** Emmanuel Ngwe, Cameroon

# ***ESJ Manuscript Evaluation Form 2021***

This form is designed to summarize the manuscript peer review that you have completed and to ensure that you have considered all appropriate criteria in your review. Your review should provide a clear statement, to the authors and editors, of the modifications necessary before the paper can be published or the specific reasons for rejection.

Please respond within the appointed time so that we can give the authors timely responses and feedback.

NOTE: ESJ promotes peer review procedure based on scientific validity and technical quality of the paper (not perceived the impact). You are also not required to do proofreading of the paper. It could be recommended as part of the revision.  
***ESJ editorial office would like to express its special gratitude for your time and efforts. Our editorial team is a substantial reason that stands ESJ out from the crowd!***

Reviewer Name: Sidiki KABA	
University/Country: IFORD (Institut de Formation et de Recherche Démographiques), Université de Yaoundé 2, Cameroun.	
Date Manuscript Received: 30/10/2020	Date Review Report Submitted: 02/11/2020
