ESJ Manuscript Evaluation Form 2021

This form is designed to summarize the manuscript peer review that you have completed and to ensure that you have considered all appropriate criteria in your review. Your review should provide a clear statement, to the authors and editors, of the modifications necessary before the paper can be published or the specific reasons for rejection.

Please respond within the appointed time so that we can give the authors timely responses and feedback.

NOTE: ESJ promotes peer review procedure based on scientific validity and technical quality of the paper (not perceived the impact). You are also not required to do proofreading of the paper. It could be recommended as part of the revision.
ESJ editorial office would like to express its special gratitude for your time and efforts. Our editorial team is a substantial reason that stands ESJ out from the crowd!

Reject	<input type="checkbox"/>

Comments and Suggestions to the Author(s):

Les auteurs ont bien présenté les facteurs épidémiologiques et pronostiques associés aux hémorragies digestives hautes. Quelques corrections sont nécessaires avant l'acceptation de l'article:

- **Corriger le titre en anglais**

- **Corriger la presentation des score et les mots-clés et faire relire le résumé en anglais**
- **Préciser les scores pronostiques utilisés dans la méthodologie**
- **Bien presenter le tableau 2 et préciser sous le tableau 1 les tests correspondant au p-value**

Comments and Suggestions to the Editors Only:

Je vous remercie pour la confiance. J'ai pris du plaisir à relire ce article. Des observations ont été faites aux auteurs pour améliorer le travail.

Vous trouverez des corrections dans le document principal en "suivi et modification".

Bien cordialement.

Comments and Suggestions to the Author(s):

Corriger certaines fautes grammaticales

Adapter certaines bibliographies aux recommandations de la revue

Numéroter les références bibliographiques

Comments and Suggestions to the Editors Only:

Accepted with minor revision
