Comments and Suggestions to the Author(s):

En général le document est bien, il faut juste tenir en compte les remarques mentionnées (en rouge) dans le texte et commenter les tableaux en annexes relatifs aux résultats des tests. Il faut expliquer ces résultats afin d'argumenter le choix de la méthode utilisée.

Comments and Suggestions to the Author(s):

Les auteurs ont fait un effort de rédaction à travers le papier, je trouve qu'il est bien écrit.

Comments and Suggestions to the Editors Only:

Cet article est original et les résultats sont intéressants, ce papier contribue au débat sur la contribution du développement financier à la croissance économique en intégrant les TIC, qui permettent de booster les effets du développement financier sur la croissance. Ce papier devrait donc être publié pour aider à éclairer le monde de la recherche sur la question.
