**Overall Recommendation!!!**

Return for major revision and resubmission

**Comments and Suggestions to the Author(s):**

1. it will be good to present yearly damage in term of RMB according to each earthquake since 2008
2. propose at least one or two implications policies for central government,
3. insert the table of the articles and their findings, classified per publication years
4. Additional discussions and some comparison of the earthquakes impacts on economy in other countries may enhance the quality of your empiric review.
