Comments and Suggestions to the Author(s):

Thématique de recherche très intéressante et d'actualité compte tenu de ces effets sur la société ivoirienne.

Les auteurs sont priés d'améliorer la méthodologie en y intégrant les techniques d'échantillonnage mais surtout en reprenant la discussion car les auteurs convoqués sont insuffisants.

Les auteurs sont également priés de reprendre toutes la section bibliographie selon les normes minimales d'élaboration d'une bibliographie scientifique.
