Recommendation: Accept Submission

The TITLE is clear and it is adequate to the content of the article.

yes

The ABSTRACT clearly presents objects, methods, and results.

yes

There are a few grammatical errors and spelling mistakes in this article.

Few grammatical mistakes noted

The study METHODS are explained clearly.

material and methods are lengthy. It needs to be brief and to the point

The body of the paper is clear and does not contain errors.

Few grammatical errors noted

The CONCLUSION or summary is accurate and supported by the content.

Results should be compared with other authors. Only one author was cited which is inadequate

The list of REFERENCES is comprehensive and appropriate.

Few references are incomplete.

Correct method for citation should be adopted.

The results should be compared with more authors which would then increase the number of references.
