Recommendation: Revisions Required

The TITLE is clear and it is adequate to the content of the article.

Si vous maintenez le mot "RECENTES" dans le sujet, il faut actualiser les données de 1961 à 2022 ou 2023 au lieu de 1961 à 2016. La formulation sera alors: VARIABILITÉ ET TENDANCES CLIMATIQUES INTERNANNUELLES RÉCENTES DE 1961 A 2023 EN CÔTE D'IVOIRE;

Dans le cas contraire, je propose ceci: VARIABILITÉ ET TENDANCES CLIMATIQUES INTERANNUELLES DE 1961 A 2016 EN CÔTE D'IVOIRE.

The ABSTRACT clearly presents objects, methods, and results.

Il faut revoir le résumé (voir fichier).

Il faut quantifier tes résultats de variabilité et tendance (absence de résultats chiffrés)..

There are a few grammatical errors and spelling mistakes in this article.

Des observations sont faits sur le fichier

The study METHODS are explained clearly.

Il faut revoir la méthode des tendances. La méthode de Mann Kendal serait souhaitable pour l'analyse des tendances.

The body of the paper is clear and does not contain errors.

Le texte est bien rédigé malgré des fautes de forme et de fond.

The CONCLUSION or summary is accurate and supported by the content.

Bien rédigé

The list of REFERENCES is comprehensive and appropriate.
