There are only some few errors and comments mentioned in the attached file.

The study METHODS are explained clearly.

The methodology is well designed

The body of the paper is clear and does not contain errors.

Coherent

The CONCLUSION or summary is accurate and supported by the content.

The conclusion is brief but exhaustive.

The list of REFERENCES is comprehensive and appropriate.

Comprehensive and appropriate but not recent.

It was better to have some updated references, especially that the authors analyse a

Law published in 2019 which is the most recent reference.
