UN MODELO PSICOLÓGICO DE LA INTENCIONALIDAD

I RECOMMEND THE PUBLICATION OF THE ARTICLE, WITH MINOR CORRECTIONS

The paper is very good. It is well written and clear.
It is a contribution that rescues a style, mathematical modeling, which is absent in psychology.

COMMENTS

1. Attend the style corrections listed
2. Incorporate the abstract and keywords in English.
3. Present the references according to APA format. Provide the references with complete data.
4. Include references only found in the text.
