

## Retraction

Upon a notification from a third party, it was concluded that the paper “Production and Characterization of Recombinant Rat Non-collagen Domain of  $\alpha 3$  Chain of Type IV Collagen  $\alpha 3$  (IV) NC1 Antigen” by Afsana Munni, published in the European Scientific Journal, ESJ vol.12 no.24 is a duplicate publication. The paper appeared online at ESJ on 31 August 2016 at 12h CET.

The same version of the paper is published on 26 August in CellBio, 2016, 5, 27-48 and available online at the following link [https://file.scirp.org/pdf/CellBio\\_2016082314134719.pdf](https://file.scirp.org/pdf/CellBio_2016082314134719.pdf)

The author of the paper has been contacted for a statement on 18.12.2018 concerning the misconduct. However, a response has not been received.

Taking all circumstances into account, it is concluded that at the time of the initial screening at the ESJ, the paper had not been published. Thus it was not possible for plagiarism to be detected. The author should accept full responsibility for this misconduct.

The paper is retracted on 27.12.2018
